## About Me

I am an undergraduate student pursuing a degree in Information Systems at Sabaragamuwa University of Sri Lanka, with strong skills in web development and a keen interest in expanding my expertise into data analysis, data science, and cloud computing. I am a motivated learner who enjoys tackling real-world problems through technology and working both independently and as part of a team. My goal is to build a career where I can combine my technical abilities and passion for innovation to contribute to impactful projects and help organizations thrive in a digital world.

## Other highlights

- Project Management
- Collaboration and
- Teamwork
